House Matching Information

While it is not always possible for teams to be matched with a house that meets all of the team's criteria, the following information will be used to help make the best match possible for your team:

New Team or Experienced Team

Combined Team or Independent Team

Request to be paired with _____ Team

If you would like to be combined with another team would you be willing to be the LEAD Captain/Team? (responsible for credit card, receipts, scope of work, homeowner evaluation) yes no

Would you like a contractor or handyman assigned to your team? yes no

Does your team have trade persons or skilled members yes no

Type of work preferred: Prep work Repair work Punch list or follow up

House requested: LIGHT MEDIUM HEAVY

(Note: **Light** house may require 1 weekend of prep work (clean, paint, complete minor repairs)+ Rebuilding Day. to. **Medium** house may require 1-2 days of prep work (clean, paint, and repair floor, steps, handrail) + Rebuilding Day. **Heavy** house may require 3+ days of prep work, and more skills to repair floors, bathrooms, etc + Rebuilding Day. Electricians and plumbers may assist in both Medium and Heavy homes. **ALL PROJECTS** are expected to be completed on Rebuilding Day, April 28.
